

# Prayer Covenant List

**THIS IS THE MOST IMPORTANT THING YOU WILL DO IN PREPARATION FOR YOUR MISSION TRIP!**

James 5:16

*“...the prayer of a righteous man is powerful and effective.”*

Ask God to reveal those family members or friends who will be dedicated to praying for you and your trip. You are responsible for compiling a group of prayer partners. You will be asking them to pray for you at least once a week, while you are preparing for the mission trip. Ask them to pray for you daily while you are on the trip. Ask them to pray for you and our team before, during and after our trip.

We encourage you to seek out people whose prayer life you know and trust. Seek out mature Christians who will be willing to seriously commit to pray and follow through with your prayer covenant. They should not be members of your short-term mission trip team. We strongly suggest that you to contact your prayer partners at least three times during your preparation and training period before the trip. Share current trip and personal prayer requests in writing with your prayer partners either by email or in a letter. Point them to *Cuba 4 Christ* on Facebook.
